| Manufacturer Name        | Noxion LED Bulkhead Pro V2 12/16/20W 3CCT Black Ø325mm (2x36W eqv.) with MW Sensor |
| Any Lamp all-in warranty | 6 Years                                                                            |
| Average Lifetime (h)     | 100000                                                                             |

Technical Information

|                             |                                                 |
|-----------------------------|-------------------------------------------------|
| Technology                  | LED Integrated                                  |
| Replaces (Watt)             | 2x36                                            |
| Wattage                     | 20                                              |
| Voltage (V)                 | 220-240                                         |
| Dimmable                    | Not Dimmable                                    |
| Colour Code                 | 830 Warm White, 840 Cool White, 865 Daylight    |
| Colour temperature (Kelvin) | 3000 Warm White, 4000 Cool White, 6500 Daylight |
| Colour Rendering (Ra)       | 80-89                                           |
| Colour of Light             | White                                           |
| Light colour options        | CCT                                             |
| Luminous Flux (Lumen)       | 2400                                            |
| Luminous Efficacy (lm/W)    | 120                                             |

|               |                    |
|---------------|--------------------|
| Optical Cover | PC (Polycarbonate) |
|---------------|--------------------|

|              |       |
|--------------|-------|
| Power factor | >0.50 |
|--------------|-------|

|                       |              |
|-----------------------|--------------|
| Product Type Category | LED Bulkhead |
|-----------------------|--------------|

## Fixture Information

|                 |                  |
|-----------------|------------------|
| Mounting Method | Surface, Ceiling |
|-----------------|------------------|

|                    |                        |
|--------------------|------------------------|
| Fixture Connection | PI [Push-in connector] |
|--------------------|------------------------|

|           |      |
|-----------|------|
| IP-rating | IP65 |
|-----------|------|

|                        |                  |
|------------------------|------------------|
| Impact Protection (IK) | IK10 - 20 joules |
|------------------------|------------------|

|                       |       |
|-----------------------|-------|
| Colour of the Fixture | White |
|-----------------------|-------|

|         |                    |
|---------|--------------------|
| Housing | PC (Polycarbonate) |
|---------|--------------------|

|        |              |
|--------|--------------|
| Series | Bulkhead Pro |
|--------|--------------|

## Dimensions

|               |     |
|---------------|-----|
| Diameter (mm) | 325 |
|---------------|-----|

|             |    |
|-------------|----|
| Height (mm) | 80 |
|-------------|----|

## Sensor Information

|                |           |
|----------------|-----------|
| Type of sensor | No Sensor |
|----------------|-----------|

## Why Any-lamp?

Order from the **largest lighting specialist** in Europe

**Customised** quotation

Up to **7 years warranty**

**Easy** return process
